Teamwork		Collaborates effectively with team
Problem Solving		Excellent analytical ability

Employee Strengths

- Excellent technical expertise
- Strong analytical and problem-solving skills
- Consistently delivers quality work
- Learns new technologies quickly
- Completes assigned tasks before deadlines

Areas for Improvement

- Improve verbal communication
- Build confidence during presentations
- Participate actively in meetings
- Improve cross-functional collaboration
- Enhance professional email writing skills

HR Feedback

Rahul has consistently demonstrated excellent technical capabilities and delivers high-quality work with accuracy. His problem-solving skills and commitment to project deadlines make him a valuable member of the team. However, there is an opportunity to improve communication skills, especially during team meetings and presentations. By actively participating in discussions and developing stronger interpersonal communication, Rahul can further enhance his overall professional effectiveness and prepare for future leadership responsibilities.

KEY PERFORMANCE INDICATORS (KPIs)

KPI	Current Status	Target For Next Quarter
Team Meeting Participation	Low	Speak in every weekly meeting
Presentation Skills	Needs Improvement	Deliver 2 presentations
Communication Training	Not Completed	Complete one certified communication course
Team Collaboration	Good	Receive positive feedback from team members

Development Plan

- Attend Communication Skills Training
- Practice Public Speaking every week
- Participate in Team Discussions
- Take monthly feedback from Manager
- Improve Professional Email Writing

Final Recommendation

Rahul possesses strong technical potential and consistently contributes high-quality work. By improving communication skills and increasing participation during meetings, he can become an even more effective professional and a strong candidate for future leadership opportunities.
